

CHAPTER 68:09

**PESTICIDES AND TOXIC CHEMICALS
CONTROL ACT**

ARRANGEMENT OF SECTIONS

SECTION

**PART 1
PRELIMINARY**

1. Short title and commencement.
2. Interpretation

**PART 11
GENERAL**

3. Power of Minister to order the furnishing of particulars relating to composition, use effects and disposal of controlled products.

**PART 111
ESTABLISHMENT AND FUNCTIONS OF BOARD**

4. Establishment of pesticides and Toxic Chemicals Control Board.
5. Meeting and procedure of Board
6. Register of Pesticides and Toxic Chemicals.
7. Functions of the Board.
8. Power to delegate.
9. Power to appoint committees.
10. Appeals.

**PART IV
REGISTRATION AND LICENCES**

11. Registration of controlled products.
12. License to manufacture or import controlled products.
13. License to sell register controlled products.
14. Registration of premises to store controlled products.
15. Regulating controlled products.
16. Application for registration, license and authorisation.
17. Suspension of registration, license and authorization and deletion of entry from register
18. Declaration by manufacturer and certificate
19. Prohibited pesticides
20. Authorisation to sell restricted pesticides and registration of premises.
21. Prohibition on extermination for reward without licence.
22. Prohibited against various forms of misleading representation.
23. Maintenance of standard.

**PART V
ADMINISTRATION AND ENFORCEMENT**

24. Staff of Board.
25. Experts
26. Appointment of analysts, inspectors and medical examiners.
27. Power of inspector to enter properties, examine, take samples, make copies of document and demand information.
28. Power of inspector regarding seizure of articles.
29. Power of inspector regarding importation.

- 30. Power of medical examiner.
- 31. Safety of workers.
- 32. Regulations.
- 33. Evidence of sufficiency of proof.
- 34. Offences and penalties.
- 35. Offences and corporations.
- 36. Jurisdiction.
- 37. Time limit on prosecutions.
- 38. Prosecution by inspector.

**PART VI
FINANCIAL PROVISIONS**

- 39. Funds and resources of Board.
- 40. Charging of fees by Board.
- 41. Account and Audit.
- 42. Exemption from tax, duty, etc.
- 43. Borrowing powers of Board.
- 44. Discharge of functions by Minister responsible for health.
- 45. Act binds the State.

AN ACT to regulate the manufacture, importation, transportation, storage, sale, use and disposal of pesticides and toxic chemicals and to provide for the establishment of the Pesticides and Toxic Chemical Control Board, and for matters connected therewith or incidental thereto.

A.D.2002 Enacted by the Parliament of Guyana:-

**PART 1
PRELIMINARY**

- | | | |
|------------------------------------|----|---|
| Short title
And
Commencement | 1. | This Act may be cited as the Pesticides and Toxic Chemicals control Act 2002, and shall come into operation on such date as the Minister appoint by order. |
| Interpretation. | 2. | In this Act – <ul style="list-style-type: none"> (a) “active ingredient” means any substance in a pesticide which acts on a pest so as to exterminate it; (b) “advertisement” includes any representation by any means whatever for the purpose of promoting directly indirectly the distribution, use or disposal of any controlled product; (c) “agriculture” means the production and storage of any produce which is grown for consumption or any other purpose and includes the use of land for grazing, forestry, and woodland, fish culture, bee culture, market gardening, horticulture, and nurseries and animal husbandry. (d) “analyst” means any person appointed as an analyst under section 26; (e) “antiseptic” means any substance or mixture or substances sold or represented principally for its germicidal or anti-microbial use on the skin of man or animal. (f) “article” includes - <ul style="list-style-type: none"> (i) any controlled product or any produce to which a pesticide is believed to been applied, or anything that may have been contaminated with a controlled product; (ii) any labeling, packaging or advertising material used for, or relating to a controlled product; (g) “Board” means the Pesticides and Toxic Chemicals Control Board established under section 4; (h) “container” means anything in which a controlled product is wholly or partly contained or packed; (i) “controlled product” means any pesticide or toxic chemical; (j) “disinfectant” means any substance or mixture of substances manufactured, sold or represented principally for its germicidal if ant microbial action on inanimate objects; (k) “drug” includes any substance or mixture of substance manufactured, sold or represented for its use in the - |

- (i) diagnoses, treatment, mitigation, or prevention of a disease, disorder, abnormal state of health or the symptoms thereof, in man or animal;
- (ii) restoring, correcting or modifying organic functions in man or animal;
- (l) “employer” means any person who employs a worker;
- (m) “extermination” means the destruction or control of pests, by means of the use of a pesticide on any land or premises or in any vehicle whether on land or any other place;
- (n) “food” includes any article manufactured, sold or represented for use as food or drink for man, and any ingredient that may be mixed with food or drink for any purpose whatever;
- (o) “formulating” means the act of preparing or compounding a pesticide in a form in which it is sold or distributed to persons using the pesticide for extermination purposes;
- (p) “importer” in relation to an imported article, includes any person who, whether as an owner, consignee, agent or broker is in possession of the article or in any way entitled to the custody or control of it;
- (q) “inspector” means any person appointed as such under section 26 and includes an authorized person within the meaning of section 2 of the Environmental Protection Act 1996;
- (r) “label” means any legend, word, mark, symbol or design applied or attached, included in , belonging to or accompanying any controlled product or a package therefore;

- (t) “manufacturer” means a corporation or entity in the public or private sector or any individual engaged in the business or function (whether directly or through an agent or through an entity controlled by or under contract with it) of manufacturing a controlled product;
- (u) “medical examiner” means any person so appointed under, section 26;
- (v) “Minister” means the Minister who is charged with responsibility for agriculture;
- (w) “package” includes anything in which a controlled product is wholly or partly contained, placed or package;
- (x) “pest” includes any insect, rodent , bird, fish, mollusc, nematode, fungus, weed, alga, micro-organism, virus, ectoparasites of man, ectoparasites or endoparasites of animals and any other kind of plant or animal life which is injurious, troublesome or undesirable to any crop, stored produce, feed, wood, textiles, or clothes, fabrics or other inanimate objects, which are objectionable from the point of view of public health or hygiene, and also anything which is undesirable under any enactment relating to pest control;
- (y) “pest control operator” means any licensed person who by himself or his employees, assistants or agents applies pesticides or carries out an extermination for a remuneration;

- (z) “pesticide” means any substance or mixture of substances intended for preventing, destroying or controlling any pest, including vectors of human animal disease, unwanted species of plants or animal causing harm during or otherwise interfering with the production, processing, storage, transport, or marketing of food, agricultural and industrial commodities, wood or wood products, or animal feedstuffs or which may be administered to animals for the control of insects, arachnids or other pests I or on their bodies but the term does not include any antiseptic, disinfectant or drug;
- (aa) “produce” means any crop grown for consumption or other use and includes anything ordinarily used or which may be used in the composition of food for man or feed for domestic and farm animals but does not include growing crops;
- (ab) “prohibited pesticide” means any pesticide of which the effects on the environment, plants, animals or human beings are considered by the Minister to be dangerous to justify its use, and which is so specified in the regulations;
- (ac) “registrar” means any person designated to be registrar of Pesticides and Toxic Chemicals under section 6;
- (ad) “regulations” means regulations made by the Minister under section 32;
- (ae) “restricted pesticide” means any pesticide specified as such in the regulations or any pesticide so specified in the list of restricted pesticides of the Food and Agriculture Organisation;
- (af) “sell” includes offer for sale, expose for sale, have in possession for sale, and distribution;
- (ag) “toxic chemical” means ant disinfectant or any other substance known to be poisonous, corrosive, irritating, capable of causing a sensitive reaction or harmful to man or animal that is used in agriculture, the arts, commerce or industry, or for any domestic or other purpose, other than any antiseptic, drug or pesticide;
- (ah) “vehicle” includes any aircraft, container or vessel;
- (ai) “worker” means a person employed in the use and handling of controlled products.

**PART 11
GENERAL**

3. (1) For the purpose of enabling him to exercise his functions under functions under this Act, the Ministries may, by order, require every person who at the date of the order, or at any subsequent time carries on a business which includes the manufacture, importation, sale or use and disposal of a substance of any class specified in the order to furnish to the Registrar, within such time as may be so specified, such particulars as may be so specified of the composition and use of any such substance, which in the course of that business, are used, or sold for use, in the preparation of controlled products
- Power of Minister to order the furnishing of particulars relating to composition use, effects and disposal of controlled products.
- (2) Without prejudice to the generality of subsection (1), an order made thereunder may require the following particulars to be furnished in respect of any substance, that is to say –
- (a) particulars of the composition and physical and chemical properties of the substance;
 - (b) particulars of the manner in which the substance is used or proposed to be used in the preparation of controlled products;
 - (c) particulars of any investigations carried out by or to the knowledge of the person carrying on the business in question, for the purpose of determining whether and to what extent the substance, or any product formed when the substance, or any product formed when the substance is used as aforesaid, is injurious to, or in any other ways affects health;
 - (d) particulars of any investigations or inquiries carried out by or to the knowledge of the person carrying on the business in question for the purpose of determining the cumulative effect on the health of a person consuming the substance in ordinary quantities.
- (3) Any person who, without the previous consent in writing of the person carrying on the business in question, discloses particulars furnished in accordance with an order under this section, or information relating to any individual business obtained by means of such particulars, except –
- (a) in accordance with directions of the Minister so far as may be necessary for the purpose of this Act; or
 - (b) for the purpose of any proceedings for an offence under this Act or of any report of such proceedings, shall be guilty of an offence.
- (4) Where a person who is an adult has been poisoned by a controlled product it shall be his duty, if the poisoning was not fatal, and the duty of every adult member of his household, to report such poisoning to the Chief Agricultural Officer of the Chief Medical Officer and failure to do so shall be an offence punishable on summary conviction by a fine of fifteen thousand dollars and imprisonment for two months.

PART 111
ESTABLISHMENT AND FUNCTIONS OF BOARD

Establishment of
Pesticides and
Toxic Chemicals
Control Board.

4. (1) There shall be established for the purposes of this Act a Board to be known as the Pesticides and Toxic Chemicals Control Board.
- (2) The Board shall consist of the following members -
 - (a) a representative of the Environmental Protection Agency;
 - (b) representatives of the Ministries of Agriculture and Health and Labour;
 - (c) such number of persons, including representatives from non-governmental organizations or private sector agencies as the Minister thinks fit.
- (3) The number of members of the Board shall not exceed seven.
- (4) In respect of each member of the Board referred to in subsection (2)(a) to (c), the Minister may appoint an officer from the respective institution, as an alternative member, to act instead of the member at any meeting of the Board.
- (5) The members of the Board shall be appointed by the Minister for such period not exceeding two years as may be specified in their letters of appointment and the membership of the Board as first constituted and every change in the membership thereof shall be notified in the *Gazette*.
- (6) The Minister shall appoint the Chairman of the Board.
- (7) The deputy Chairman shall be elected from members of the Board referred to in subsection (2)
- (8) The remuneration and other terms and conditions of appointment of members of the Board shall be such as may be determined by the Minister.
- (9) A member of the Board, who is a public officer, shall have and may exercise in like manner all the powers conferred upon an inspector by this Act.
- (10) The Minister may, after consultation with the Chairman, give the Board directions of a general character as to the policy to be followed in the performance of any of its functions, and the Board shall give effect to such directions.
- (11) The Board shall provide such facilities to the Minister as will enable him to verify any information furnished in pursuance of this section.
- (12) A member of the Board appointed under subsection (2) (c) may resign his office at any time by giving notice in writing to the Minister through the Chairman.

Meetings and
Procedure of
Board

5. (1) The Minister may make regulations to regulate the procedure and business of the Board, including the intervals at which the meetings of the Board shall be held and the quorum for its meetings.
- (2) Subject to the provisions of this Act, the Board may make rules for that purpose.
- (3) Any minutes made of a meeting of the Board shall, if duly signed by the Chairman of the Board or other person presiding at the meeting, without further proof of any other matter or thing, be receivable in all legal proceedings as *prima facie* evidence of the proceedings of the Board of which the minutes have

been made and of the meetings of the Board, in respect of the proceedings of which the minutes have been so made, having been duly convened and held.

- Registrar of pesticides and Toxic chemicals
6. (1) The minister shall, for the purpose of this Act, by notification in the *Gazette*, appoint the Registrar of pesticides and Toxic Chemicals who in consultation with the Board, may engage such other employees as he thinks necessary for the Proper carrying out of the provisions of this Act at such remuneration and on such terms and conditions as he thinks fit.
- (2) The registrar shall be the Secretary of the Board.
- (3) The Registrar shall -
- (a) keep and maintain such registers as the Board deems necessary, including registers of all licenses issued under this Act;
 - (b) enter in the registers kept by him such information as may be specified by the Board or prescribed by regulations;
 - (c) give the inspectors and analyst such information as may be necessary for carrying out the purposes of this Act; and
 - (d) perform such other duties as may be assigned to him by the Board.
- (3) The Board shall pay the Registrar such remuneration and allowances as the Minister thinks fit.
- Function of the Board.
7. The functions of the Board shall be -
- (a) to registrar pesticides and toxic chemicals;
 - (b) to license person to import or manufacture registered pesticides and toxic chemicals;
 - (c) to authorise persons to sell restricted pesticides;
 - (d) to register premises in which a restricted pesticide may be sold;
 - (e) to license pest control operators;
 - (f) to consider and determine applications made pursuant to this Act and to deal with all of the importation, manufacture, transportation, storage, packaging, preparation for sale, sale, use and disposal of pesticides and toxic chemicals and to advise the Minister on all matters in relation thereto;
 - (g) to advise the Minister on matters relevant to the making of regulations under this Act, and to monitor the implementation of these regulations;
 - (h) to furnish such returns as the Minister may from time to time require;
 - (i) to promote education and public awareness on the use of and attendant dangers to health of a controlled product;
 - (j) to exercise and perform such other functions conferred upon it by or under this Act;
 - (k) with the approval of the Minister, to make such provision as it thinks appropriate for the payment of pension, gratuity, or other allowances in respect of the service of its officers and other employees on their retirement therefrom.
- Power to Delegate
8. (1) Where under this Act any power , duty or authority is granted to or vested in the Minister, he may in writing, subject to the approval of The President, delegate that power, duty or authority to the Chief Executive Officer of the Environmental Protection Agency or any officer or officers of

the Ministry, subject to such limitations, restrictions, conditions and requirements as the Minister may set out in the delegation.

- (2) The Board may, with the approval of the Minister, delegate to any of its members the power and authority to carry out on its behalf such of its function as the Board may determine.
9. (1) The Board may appoint such committees as it thinks fit.
- (2) A committee appointed by the Board under subsection (1) may consist only of the members of the Board or may consist of such members and other persons.
- (3) Subject to the provisions of this section, the constitution, functions and procedure of a committee appointed under subsection (1) by the Board, shall be determined by the Board.
- (4) Where persons, not being members of the Board, are members of a committee appointed under subsection (1), the Board may pay such remuneration or allowances as the Board thinks fit.
10. Any person aggrieved by any decision of the Board may appeal to the Minister against such decisions within such time and in such manner as may prescribed.

PART IV REGISTRATION AND LICENCES

11. No person shall manufacture, or import, advertise, sell, use, store or transport any controlled product unless such product is register in the prescribed manner.
12. No person shall manufacture, or import any registered controlled product unless he first obtains in the prescribed manner a licence to manufacture, or import as the case may require, that product, and shall comply with such conditions as may be stipulated in the license.
13. Any person wishing to sell a registered controlled product shall obtain from the Board a licence entitling him to sell registered controlled products, and shall comply with such conditions as may be stipulated in the license.
14. (1) No person shall store a controlled product in marketable quantities, unless the premises in which the controlled products are stored, is registered as prescribed.
- (2) A person is deemed to store a controlled product in marketable quantities when there are on premises occupied by him larger quantities of a controlled product than would reasonable be necessary

for his domestic use.

15. No person shall manufacture, import, handle, use, store in marketable quantities, dispose of or transport a controlled product unless the person does so in the prescribed manner and where there is available an antidote therefore has been manufacture such person can make available the antidote when necessary. Regulating controlled products.
16. (1) Every application for the registration of a controlled product, for a licence to manufacture, import or sell a register controlled product, for authorisation to sell a restricted pesticide, for registration of the premises in which such restricted pesticide, may be sold, or in which a controlled Product is stored in marketable quantities or for registration as a pest control operator, shall be made on the prescribed form and be accompanied by the relevant prescribed fee. Subject to the provisions of this Act, the Board may grant any such application, and may at any time after an application has been granted, revoke any licence, certificate, authorisation or permit is revoked, the holder thereof shall be given a reasonable opportunity of making representations. Application for registration, license and authorisation.
- (2) The Registrar shall issue to every person whose application made pursuant to this section is granted, the appropriate licence of certificate of registration or authorisation or permit as the case may require, in the prescribed form.
17. (1) If any person who has obtained any registration, licence, authorisation or permit pursuant to this Act, is found upon enquiry by the Board to have procured such registration, license, authorisation or permit as the case may be, as a result of any misleading, false or fraudulent representation, the Board may after investigations, either suspend that registration, license, authorisation or permit, as the case may be, for a period not exceeding one year or direct the Registrar to delete the relevant entry from the appropriate registrar: Suspension of registration license and authorisation and deletion of entry from registrar.
- Provided that the holder of such registration, licence, authorisation or permit is given a reasonable opportunity of making representations before any such suspension or direction to delete is effected.
- (2) The Board may at any time, if necessary direct any entry which has been deleted from a registrar pursuant to subsection (1) to be reinstated.
- (3) The Board may, as soon as practicable after –
- (a) any registration, licence, authorisation or permit has been suspended or deleted from a registrar; or
- (b) the re-instated of any registration, licence, authorisation or permit which was deleted from a registrar, cause notice of the appropriate fact to be published in the *Gazette*.
- (4) When ever any registration, licence, authorisation or permit is deleted from a registrar, the Board may in writing require the person to whom such

registration, license, authorisation or permit had been granted to return to the Registrar the relevant certificate of registration, licence, authorisation or permit as the case may be, and such person shall comply with the requirement.

18. (1) The Minister may order that the manufacturer of any controlled product shall furnish a declaration in the prescribed form that the product in question as manufactured by him has been made in accordance with all requirements of this Act, and any person who fails to comply with any such order is guilty of an offence. Declaration by manufacture and certificate in respect of imported products.
- (2) Except as provided by the regulations, no controlled product shall be imported into Guyana unless the product wholly conforms to the law of the country in which it was manufactured or produced and is accompanied by a certificate from the regulatory Agency in the prescribed form and manner that the article does not contravene any known requirement of the law of that country.
19. (1) The Minister shall, by order, after consultation with the Board, specify for the purposes of this Act the prohibited pesticides which shall not be brought into or used in the country. Prohibited pesticides
- (2) The Minister may, by order from time to time, after consultation with the Board amend the list of specified prohibited pesticides.
- (3) An order made pursuant to subsection (2), may provide for the withdrawal from sale or use, and for the disposal of, any pesticide added to the list of prohibited pesticides.
20. (1) No person shall sell restricted pesticide unless - Authorisation to sell restricted pesticides and registration of premises.
- (a) he is authorised in the prescribed manner to do so;
- (b) the premises in which the sale is carried out has been registered in the prescribed manner for the purpose; and
- (c) the sale is carried out in accordance with other requirements as May be prescribed.
- (2) The Minister shall, by order, after consultation with the Board specify the restricted pesticides.
21. (1) No person shall engage in or perform or offer to perform an extermination for reward unless he is licence as a pest control operator by the Board in the prescribed manner or, subject to subsection (2), is an employee of such operator. Prohibition on extermination for reward
- (2) No person shall serve as an employee of a pest control operator for the purpose of carrying out an extermination unless he complies with the regulations being in force relation to employees of pest control operators.

22. (1) Any person who packages, labels, treats, processes, sells or advertises any controlled product in a manner that is false, misleading or deceptive, or is likely to create an erroneous impression regarding its character, value, quantity, composition, merit, or safety, or is inconsistent with the information supplied to the Board at the time of the application for registration, is guilty of an offence. Prohibition against various forms of misleading representation.
- (2) A product that is not labelled or packaged as required by the regulations, or is labeled or packaged contrary to the regulations shall be deemed to be labelled or packaged contrary to subsection (1).
23. Where a standard has been prescribed for a controlled product any person Who labels, packaged, sells or advertised any article in such a manner that It is likely to be mistaken for such product, is unless the article complies with the prescribed standard, guilty of an offence. Maintenance of standard.

**PART V
ADMINISTRATION AND ENFORCEMENT**

24. The Board may employ at such remuneration and on such other terms and conditions as it thinks fit such officers and other employees as the Board deems necessary for the purpose of carrying out its functions. Staff of Board.

- Experts.
25. The Board may, at any time, retain the services of experts and other professional persons (including consultants) having specialized knowledge relevant to the Board's function and may pay such persons such remuneration in respect thereof as the Board, with the approval of the Minister, may determine.
- Appointment of analyst, inspectors and medical examiners.
26. (1) The minister may appoint such number of fit and proper persons to be analyst, inspectors and medical examiners for the purpose of this Act and notice of any such appointment shall be published in the Gazette and shall be officially and judicially noticed.
- (2) the Minister shall furnish every person appointed by him under subsection (1) with a certificate of his appointment.
- Power of inspector to enter properties, examine, take samples, make copies of documents and demand information.
27. (1) Any inspector may, for the purpose of exercising any of his powers under this Act or the regulations, enter at any reasonable time -
- (a) any vehicle -
- (i) in which an extermination is about to be, is being or has been carried out;
- (ii) in which a controlled product is about to be, is being or has been transported; or
- (iii) in which he has reasonable cause to believe a breach of this Act or the regulations is about to be, is being or has been committed;
- (b) any land or premises -
- (i) in which an extermination is about to be, is being or has been carried out;
- (ii) on which a controlled product is being or has been, or is about to be used, manufactured, sold, packaged, stored, kept for sale or disposed of;
- (iii) which is being, or has been, or is about to be used for a purpose connected manufacture, sale, packaging, or storage of a controlled product;
- (iv) on which things required by the regulations to be provided or done have been provided or done; or
- (v) which he has reasonable cause to believe to be land or premises failing within sub-paragraph (ii), (ii) or (iv) and may make such examinations and enquires as he may deem necessary;
- (c) open and examine any receptacle or package found in any premises or vehicle mentioned in paragraphs (a) and (b) that he reasonably believes contain any controlled product;
- (d) examine any books, documents or other records found in any place mentioned in paragraphs (a) and (b) which on reasonable grounds he believes contain or are likely to contain any information relevant to the enforcement of this Act and make copies thereof or extracts therefrom.

- (e) seize and detained for so long as may be necessary for the purpose of any examination, investigation, trial or inquiry, any article by means of or in relation to which he reasonably believes any provision of this Act has been contravened;
 - (f) take without payment samples of any article where such article is being sold, used or transported or is in storage, and submit them to any analyst for analysis or examination;
 - (g) take without payment, samples of any article where such article when imported into Guyana but not delivered to the importer out of the charge of the Customs and Excise Department and submit them to an analyst for analysis or examination.
- (2) For the purpose of subsection (1) the expression “article to which the Act applies” includes -
- (a) any pesticide or toxic chemical;
 - (b) anything used for the manufacture, formulation, package or storing thereof, and
 - (c) any labeling or advertising material.
- (3) An inspector on entering a vehicle, land or premises pursuant to subsection (1) shall if so required, produced his certificate of appointment to the person in charge thereof.
- (4) An inspector may, if he considers it necessary, take with him when entering any vehicle, land or premises mentioned in subsection (1) a police officer, a medical practitioner, public health inspector and any person who possess expert knowledge of the use or effects of pesticides and toxic chemicals.
- (5) The owner or person in charge of any land, premises or vehicle entered by an inspector pursuant to subsection (1), and every person found therein, shall give the inspector all reasonable assistance in their power and shall furnish him such information in their possession as he may reasonably require.
- (6) Any person who-
- (a) fails to comply with subsection (5);
 - (b) obstruct an inspector in the carrying out of his duties under this Act;

Safety of workers

31. (1) Where it appears to the Board that any controlled product at the place of employment of any workers is likely to cause risk of bodily injury to him, the Board may serve on the employer a notice in writing specifying the measures which should be adopted to remove the risk of bodily injury and requiring the measures to be carried out before a date to be specified in the notice.
- (2) The Board may in writing give directions to any employer -
- (a) to exhibit by notice before a specified date, in a conspicuous manner at his place of business, a warning that controlled products are likely to cause poisoning, or bodily injury, or explosions, and the notice shall be in such form as may be specified by the Board;

- (b) to take such special precautions as it may deem necessary to protect workers who because of their state of health, age or other circumstances are subject to particular risks of poisoning by controlled products;
- (c) to provide periodical medical examinations of workers as prescribed by regulations.
- (3) All medical examiners and other medical practitioners shall submit to the Board on a quarterly basis reports on the treatment of patients for poisoning (accidental and deliberate) by pesticides and toxic chemicals.
- Regulations 32. The Minister may make regulations for carrying the purposes and provisions of this Act into effect, and in particular, but without prejudice to the generality of the foregoing, may make regulations –
- (a) prohibiting or controlling the manufacture, importation, method of packaging, labeling, transportation, advertisement, sale, use and disposal of any controlled product;
- (b) for controlling the use of pesticides in agriculture generally, or in particular, on crops or pests, and for controlling the use of toxic chemicals in agriculture, the arts, commerce, industry, or for any domestic or other purposes
- (c) for controlling the pesticides on produce during its storage or transporting;
- (d) for controlling the conditions under which controlled products are stored;
- (e) for protecting workers against the risk of poisoning by controlled products when working in connection with the use of controlled products or when working on land or in any premises or in which controlled products have been or are being used, stored or manufactured;
- (f) for protecting the interest of owners, occupiers, or users of land or premises adjacent to land or premises on or on which controlled products are used, stored or manufactured;
- (g) for protecting persons against the risk of poisoning or other injury by controlled products;
- (h) prescribing the maximum permissible level of any controlled product in any particular kind of produce at the time of marketing or sale;
- (i) respecting the quantities of controlled products which may be imported or manufactured and the types of packages in which controlled products may be imported, transported or sold and as to the disposal of such packages after use and as to the disposal of unwanted stocks of controlled products and waste materials containing controlled products;
- (j) requiring the keeping and inspection of records and the furnishing of returns of sales, stocks, and the use or disposal of controlled products and other relevant information;
- (k) restricting or prohibiting the use of particular controlled products or classes of controlled products;
- (l) imposing restriction and obligations on pest control, operators;
- (m) imposing duties on employees or workers, on the worker themselves and on others using controlled products;
- (n) requiring the provision by employers, manufacturers, or workers, and the keeping in good order and the production when required by

an inspector of protective clothing and equipment, of facilities for washing and cleaning, and of other things needed for protecting persons from contamination by controlled products, or for removing sources of contamination therefrom;

- (o) prescribing the manner and contents of any advertisement of a controlled product;
 - (j) conceals or prevents any person from appearing before an inspector under section 27;
 - (k) knowingly or recklessly makes any false or misleading statement either orally or in writing to any inspector engaged in exercising his power under this Act or the regulations;
- (l) contravenes any provisions of this Act or the regulations.
- (2) Any person who commits an offence against this Act is liable –
- (a) on summary conviction for a first offence to a fine of not less than five thousand dollars and to imprisonment for three months, and for a subsequent offence to a fine not less than twenty-five thousand dollars and not more than two hundred thousand dollars and to imprisonment for six months;
 - (b) on conviction upon indictment to a fine of not less than fifty thousand dollars and not more than five hundred thousand dollars and to imprisonment for six months;
- (3) A person convicted of an offence under this section may, in addition to any other penalty imposed, be disqualified for such period as the court of magistrate thinks fit.

- | | | |
|---------------------------|-----|--|
| Offences by Corporation. | 35. | Where an offence against this Act is committed by a body corporate, any Person who at the time of commission of the offence was a director, manager, secretary or other officer thereof, or was purporting to act in any such capacity, shall be deemed to be guilty of that offence, unless he proves that the contravention took place without his consent or connivance and that he exercised all such diligence to prevent the commission of the offence as he ought to have exercised having regard to the nature of his functions in that capacity and to all the circumstances. |
| Jurisdiction. | 36. | A prosecution for an offence against the Act may be instituted, heard, tried or determined in the place in which the offence was committed or the subject matter of the prosecution arose or in any place which the accused is apprehended or happens to be. |
| Time limit on precautions | 37. | A prosecution for a contravention of this Act or the regulations may be instituted at any time within six months from the time the subject matter of the prosecution arose. |

38. An inspector may institute proceedings under this Act before a court of summary jurisdiction and has power to conduct any proceedings, so instituted by him. Prosecution by inspector

**PART VI
FINANCIAL PROVISIONS**

39. The funds and resources of the Board shall consist of - Funds and resources of Board
- (a) such sums as may be provided to the Board by or under an appropriate law;
 - (b) such fees as may be charged by the Board for services rendered by it;
 - (c) such moneys or other assets as may accrue to or vest in the Board by way of grants, subsidies, bequests, donations or gifts; and
 - (d) all other sums or property which may in any manner be received by, or become payable to, or be vested in the Board in the performance of its functions or in respect of any matter incidental thereto.
40. The Board may charge fees for any services rendered by it under this Act. Charging of fees by board.
41. (1) The Board may for the purpose of carrying out its functions under this Act, open and operate any current savings account or any type of account with any banks in Guyana. Account audit
- (2) The Board shall keep accounts of its transaction to the satisfaction of the Minister and the accounts shall be audited annually by an auditor appointed by the Minister.
- (3) The members, officers and other employees of the Board shall grant to the auditor appointed under subsection (2) access to all books, documents, cash and securities of the Board and shall give to him on request all such information as may be within their knowledge in relation to the operation of the Board.
- (4) For the removal of doubt it is hereby declared that the provisions of this section are without prejudice to the powers of the Auditor General under the Financial Administration and Audit Act to audit the accounts of the Board.

Cap. 73:01

Exemption from tax duty etc.

42. (1) The Board shall be exempt from the payment of income tax under the Income Tax, Import or export duties of customs under the Customs Act, and consumption tax under Consumption Tax Act.

Cap. 81: 01

Cap. 82: 01
Cap: 80: 02

- (2). The Minister responsible for finance may, by order, which shall be subject to affirmative resolution of the National Assembly exempt the Board from payment wholly or partly of any tax or duty, not being a tax or duty referred to in subsection (1) or rate, levy or other charge payable under any written law for the time being in force.

Borrowing
powers of
Board

43. The Board may, with approval of the Minister, borrow sums required by it for meeting any of its obligations or discharging any of its functions.

Discharge
Of functions
By Minister
Responsible
For health.

44. Where in this Act a function of the Minister or the Board also properly falls within the functions of the Minister responsible for health or a public officer in the Ministry of Health, such functions may, in cooperation with the Minister or the Board and with the approval of the President, be discharged By the Minister responsible for health or a public officer in his ministry.

Act binds
the State

45. This Act binds the State.

Passed by the National Assembly on 3rd August, 2000

F.A. Narain.
Clerk of the National Assembly

(BILL No. 12/98)
